4. A Laborer's Anti-American Propaganda Corps has already been organized under the direction of KAO Chieh-sheng (高級升), a former dockworker. 50X1-HUM

5. Chinese Communist newspaper editorials in Dairen frequently comment on the "domestic economic crisis" in the United States, the "unfair treatment of labor and the large number of strikes" in the United States, and the United States "invasion" of China. On the other hand, the USSR is pictured as the friend of the Chinese laborers and as the only country which treats the Chinese laborers as equals.
